

COULD YOU COACH YOUTH TRACK & FIELD?

Nittany Track & Field, the area's largest youth track club for athletes ages 7-18 of all ability levels, is seeking skilled and enthusiastic individuals to fill Lead Coach and Event Coach positions in our upcoming season, April 29 - July 18, 2019.

If you have experience in one or more track or field events, either as a coach or an athlete at the high school or college level, this is a great opportunity to share your skills while gaining or broadening your coaching experience under the guidance of the club's head coach.

Practices are Monday through Thursday evenings, 6:15pm - 7:45pm at the State College Area High School Track. Compensation is \$30 per practice.

Lead Coaches - Organize and lead practice sessions for designated age groups. Instruct athletes on proper warm-up exercises, drills, conditioning workouts, stretches, games, and other sport-related activities. Coordinate volunteers and communicate with event coaches regarding specific event training for their group.

Event Coaches - Instruct athletes in proper technique in one or more of the following disciplines: a) throwing events (shot put, discus and javelin); b) jumps; c) hurdles; d) sprints. Provide oversight for different age groups practicing for a particular event, prepare the training space, set up and tear down equipment, and ensure proper safety for athletes.

Coaches must hold USA Track & Field (USATF) membership, pass the USATF background check and complete the SafeSport training (a two hour online course) prior to starting the position. Nittany Track and Field will pay all associated registration and background check fees. Coaches are expected to adhere to Nittany Track and Field's key principles and philosophy emphasizing a positive training environment for participants of any ability level and a focus on well-balanced athlete development.

Nittany Track & Field is a 501(c) (03) non-profit athletic club and a member of the Mid-Atlantic USATF. Visit www.NTFXC.com for more details.

Come join our committed team! Contact Mark Fedkin at ntfxclub@gmail.com to apply or for more information.

Nittany Track and Field

 Youth Running Club - State College, PA

NTF is a non-profit club for boys and girls 8 to 18 years old. Our main objective is to foster a positive, fun, and supportive atmosphere for training and athletic growth. The club coaches encourage kids to set personal goals and develop discipline and techniques needed to reach those goals. Training is suited to all levels of ability and experience.
